Dear Omar,

The National Football League is pleased to invite students, both boys and girls in grades 4-6, from the South Miami Youth Flag Football League to participate in the NFL PLAY 60 Youth Football Festival during the days leading up to Super Bowl XLIV.

The goal of the NFL PLAY 60 movement is to help kids get active for 60 minutes every day in order to combat the epidemic of childhood obesity. As part of this commitment, the NFL will host a one-hour NFL FLAG football clinic at the Game Day Fan Plaza adjacent to Dolphin Stadium **on Friday, Feb. 5 from 11am-12pm**

In addition to helping kids get 60 minutes of exercise, the clinic will present life skills messaging focused on education, healthy living, and staying in school, and provide students the opportunity to participate in fun, non-contact football activities with NFL players.

Please let us know how many students will be able to participate. The clinic can accommodate 80 students. Parents or guardians are responsible for providing transportation for students to and from the event. Each student must also have the attached waiver signed by a parent or guardian and must bring it with him or her to the event.

As Super Bowl XLIV approaches, we look forward to working with you on this fun and educational event. We look forward to hearing from you soon.

Best regards,

Magdalena Hill
